# **Street & Parking Lot Closing Requests**

28<sup>th</sup> Annual Pride of the Fox RiverFest June 11 – 13, 2010

## **EASTSIDE**

#### **MUNICIPAL BUILDING AREA:**

Checkerboard Lot: close from Wed. 4am, 6/9 – Tues 7am, 6/15

#### **RIVERWALK AREA:**

- Grassy areas and close parking lot (west side of old Fire Station) between the Municipal Building and trestle bridge and use of the "overlooks": Fri 6pm, 6/11 – Mon 6am 6/14
- Parking Circle between Police Station and trestle: Fri 4am, 6/11 Sat 10am, 6/12 Police Department requests this area be barricade and reserved for "Police Use" as that is the access to the police compound. It is recommended the loading zone be established outside of the barricaded area

#### SOUTHEAST SECTION:

- 1<sup>st</sup> Ave between Walnut and Illinois: Thur 4am, 6/10 Mon 5pm, 6/14
- Parking Lot (Walnut & 2<sup>nd</sup> Avenues): Wed 5pm, 6/9 Mon 5pm, 6/14
- \*1<sup>st</sup> Ave between E. Main and Walnut: Thur 4am, 6/10 Mon 8:30am 6/14
- \* Walnut Ave between 1<sup>st</sup> & 2<sup>nd</sup> Ave: Thur 5:30pm, 6/10 Mon 8:30am 6/14
  - \* To meet Harris Bank's need to have their parking lot accessible during business hours, we will situate fixed elements in the parking spaces so that Walnut Ave can be opened to traffic from 8am to 5:30pm weekdays and until 12:30pm on Saturday (while still maintaining no parking on both blocks) Event sponsor to coordinate with Harris Bank.

#### WESTSIDE

#### **OLD ST CHARLES AREA:**

- River Plaza (Heritage Sq.) Parking Lot: Tues 4am, 6/8 Mon 8am, 6/14 In 2009 GSC reviewed the
  request and approved closure of this lot to occur on Wednesday not Tuesday as requested this year.
  Event sponsor indicated it was an issue of notification to the local businesses that prompted not
  wanting the lots closed on Tuesday. That notification problem will be resolved this year to include
  Carol Tower.
- 3<sup>rd</sup> Street between Cedar and State: Wed 4am, 6/9 Mon 6am, 6/14

## LINCOLN PARK AREA:

- 5<sup>th</sup> Street between W. Main and Cedar: Thur 4am, 6/10 Mon 7am, 6/14 Police Department recommends keeping the westernmost lane open for emergency access and use as a Tow Away Zone if necessary. This worked well in 2009.
- No parking/festival unloading zones on west side of 4<sup>th</sup> St between W. Main and Cedar: Thur 4am, 6/10

   Mon 7am, 6/14 Police recommends approval, subject to one lane kept open for local business access loading zone and emergency access.

## GREEN PARK on 1st STREET:

Grassy areas and close parking pull in between Main Street and Illinois St.: Thur 4am, 6/10 – Mon 7am,
 6/14 This is new this year due to the availability of this open space.

SIDEWALK SALES: We ask for approval for St. Charles merchants to bring their own merchandise and wares onto the sidewalks in front of their stores during festival activities. This is similar to 2009, Police Department recommends Main Street from 4<sup>th</sup> Street to the Fox River not be used for this purpose due to safety of pedestrian traffic.

**OUTSIDE VENDORS**: To maintain proper character of St. Charles, manage the festival and have appropriate income assessed to produce the festival and its free public events and attractions, we ask that requests for temporary sales locations by other merchants, street vendors, restaurants and not-for-profit groups be directed to us for approval and fee assessment.

**SIGNS ON STREET PARKWAYS:** We request permission to place RiverFest signage on the street parkways during festival weekend. **Recommended no more than one per block, and as direction to the event only, not for vendor advertising.** 

Emergency Action Plan: The Police and Fire Departments are requesting the vendor coordinate in the formulation of an emergency plan, to be in place at least two weeks prior to the event. It is to include daily assignments of those in charge, areas of responsibility, cell number or means of contact.

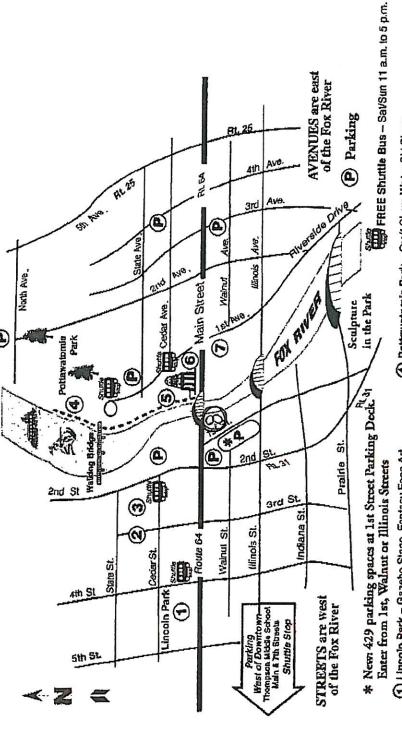

In addition during periods of set up and take down a twelve foot lane be maintained open on any streets for emergency access.

In addition the Police Department requests the ability to make minor changes as necessary to facilitate the overall festival operations.
